RMKS/1. This NAVADMIN announces the FY-16 Medical
Department Career
Milestone Screening Board scheduled to be convened by
Commander, Navy
Personnel Command on 23 September 2015.

2. Background. Per reference (a), officer communities
may designate a
limited number of billets as milestone billets that
represent positions of
leadership analogous to command. Similar to the
command screening process,
milestone screening identifies individuals whose
records indicate that they
possess the leadership abilities required to
successfully execute the duties
associated with Navy Medicine (NAVMED) career milestone
billets. Chief,
Bureau of Medicine and Surgery has designated certain NAVMED billets as career milestone billets. Career milestone billets include commander (O-5) and captain (O-6), Director for Administration (DFA), Officer in Charge (OIC), and Director of Nursing Services (DNS) opportunities that require specialized healthcare leadership expertise, experience, and a documented career progression that prepares an officer for the duties and responsibilities associated with these positions.

3. Reference (b) provides application procedures, executive medicine required criteria, available positions, and business rules and will be posted on NAVMED website at www.med.navy.mil/directives/Pages/NAVMEDForms.aspx/.

4. Deadline for application is 31 August 2015 to Navy Personnel Command, Medical Department Assignments (PERS 4415). Late and incomplete applications will not be considered.
